

Transferred to Maryland—Emil H. Chimot, a native of France — who has been a Battle Creek resident since 1927, has been promoted from private to sergeant and transferred from Savannah, Ill., to Camp Ritchie, Md. When Sergeant Chimot enlisted for army service July 2 of this year, he was laundry manager at Leila hospital. Since then his wife, also a native of France, has managed the hospital laundry. Sergeant Chimot's new address is: M. I. T. Co., 2nd Infantry, Training Battalion, Camp Ritchie, Md. Sergeant Chimot was born in Paris, March 14, 1902, and his mother is believed to be still living in occupied France, although he has heard nothing from her in many months. He was married in Paris in 1923 to Miss Louise Briton and the couple came to Battle Creek 15 years ago. They have one daughter, Paulette, who lives with her mother at the family home, 183 Harvard street. Sergeant Chimot completed his citizenship qualifications this year and papers filed by Mrs. Chimot are nearing completion.
